

## Family Discounts

For any semi-private or group trip that costs \$20/person or more (with the exception of Indoor Rock Climbing), the following discount will be applied to families:

1. Pay full price for first 2 participants (parents or caregivers only)
2. Pay \$5 less for each additional participant that is under 18 in the same family

Example 1:

A family of 4 going on a ½-day rappelling trip will pay:

\$20 Mom + \$20 Dad + \$15 child #1 + \$15 child #2 = \$70 reduced price compared to \$80 full price

Example 2:

A family of 5 going on a full-day rappelling trip will pay:

\$30 Mom + \$30 Dad + \$25 child #1 + \$25 child #2 + \$25 child #3 = \$135 reduced price compared to \$150 full price

Example 3:

A family of 3 with one parent going on a full-day rappelling trip will pay:

\$30 Single Parent + \$25 child #1 + \$25 child #2 = \$80 reduced price compared to \$90 full price

Scholarships:

If your family is struggling with financial hardship, partial and full scholarships are available so that you can still participate in these activities. Please contact us and we'll work with the pastoral staff to see if you qualify.
